

# “Out Of The Box” 2010 Knife Debuts

## Pearl And Abalone Adorn CAS Hanwei Interframe

The HWS-1 blade of CAS Hanwei’s new interframe lockback folder is the first to come out of the company’s own steelmaking facility, and is complemented by electroformed bolsters, and pearl and abalone handle inlays. Closed length: 3 7/8 inches.

For more information contact CAS Hanwei, attn: M. Hillian, Dept. BKG, 650 Industrial Blvd., Sale Creek, TN 37373 800-635-9366 [mhillian@cashanwei.com](mailto:mhillian@cashanwei.com), [www.cashanwei.com](http://www.cashanwei.com).

## Benchmade Griptilian Gets Steel Facelift

Benchmade’s Griptilian now showcases a 3.4-inch, modified-drop-point X15 T.N stainless steel blade for enhanced corrosion resistance. Other features include a bright-orange, textured Noryl GTX® handle, an AXIS® lock, dual 420J stainless steel liners and a reversible stainless pocket clip.

For more information contact Benchmade, attn: A. Hunt, Dept. BKG, 300 Beaver Creek Rd., Oregon City, OR 97045 503-655-6004 [info@benchmade.com](mailto:info@benchmade.com), [www.benchmade.com](http://www.benchmade.com).

## Leatherman Multi-Tool Features 19 Implements

Leatherman reintroduces the Super Tool 300 with upgraded features, including bigger, beefier needle-nose and regular pliers incorporating 154CM removable wire cutters, hollow-ground 420HC clip and sheepfoot blades, rounded stainless steel handle halves, wire stripper, electrical crimper, screwdrivers, a wood and metal file, saw, bottle and can opener, ruler, awl and more—19 implements in all.

For more information contact Leatherman Tool Group, attn: S. Leatherman, Dept. BKG, 12106 N.E. Ainsworth Cir., Portland, OR 97220 503-253-7826 [info@leatherman.com](mailto:info@leatherman.com), [www.leatherman.com](http://www.leatherman.com).
